Project: 800001 Catholic Social Services - Shared Housing Program

Category:	Outside Funding	Type:	CDBG	Department:	Community Development
Origination Year:	Ongoing	Phase:	Ongoing	Project Manager:	Annabel Yurutucu
Planned Completion Year:	Grant	% Complete:	n/a	Project Coordinator:	Katrina Ardina
Origin:	Outside Request			Interdependencies:	Office of the City Manager
Element:	2 Community Development		Goal:	2.3C	
Sub-Element:	2.3 Housing and Community Revitalization		Neighborhood:	City Wide	
Fund:	110 Community Development Block Grant		Sub-Fund:	100 CDBG Fund	

Statement of Need

The Shared Housing Program assists low income single parents through information and referral to help place them in shared living arrangements. The major activity of the Shared Housing Program is the provision of housing to low income single parent families and other adults from Sunnyvale who need shared housing to avoid shelters or homelessness. This is currently achieved by "matching" providers (those with homes) and seekers (those who need homes). There are also opportunities for two seekers to find a rental unit together.

Service Level

Funding is expected to serve 100 Sunnyvale clients by providing 25 shared housing arrangements in both FY 2003/2004 and FY 2004/2005. The Shared Housing Program will also conduct 100 intake assessments. In addition, all Sunnyvale home sharers will receive intensive case management support services (including home visits) to increase their family self-sufficiency outcomes and to remove any possible barriers to sustaining their shared housing.

Issues

There is a severe lack of affordable housing throughout the County and the City of Sunnyvale. The pervasive silent discrimination against families with children makes this lack of affordable housing critical. There is a need to address the critical lack of affordable housing for the City's 3,919 (City's Consolidated Plan: 2000-2005) single parent families who are predominately 'low income' and who pay significantly more than 30% of their incomes on housing.

Project: 800851 Support Network for Battered Women

Category:	Outside Funding	Type:	CDBG	Department:	Community Development
Origination Year:	Ongoing	Phase:	Ongoing	Project Manager:	Annabel Yurutucu
Planned Completion Year:	Grant	% Complete:	n/a	Project Coordinator:	Katrina Ardina
Origin:	Outside Request			Interdependencies:	Office of the City Manager
Element:	5 Socio-Economic	Goal:	5.1G		
Sub-Element:	5.1 Socio-Economic	Neighborhood:	City Wide		
Fund:	110 Community Development Block Grant	Sub-Fund:	100 CDBG Fund		

Statement of Need

This project provides emergency and ongoing assistance to victims of domestic violence. Services include emergency shelter, family counseling and legal guidance. Services are provided in English, Spanish and Indian languages.

Service Level

The Support Network for Battered Women will provide 15 unduplicated individuals with emergency shelter services. The agency will also provide comprehensive services and programs in English, Spanish, and Indian languages to Sunnyvale residents. Four main areas of service are critical for Sunnyvale residents: Crisis Intervention/Counseling, Emergency Shelter, Legal Services and Community Education. The Support Network will continue to provide a year long curriculum on Teen Dating and Violence to 7th graders in Sunnyvale public schools – a proactive prevention project that partners the agency with the Sunnyvale Department of Public Safety.

Issues

The epidemic of domestic violence in Santa Clara County reflects nationwide statistics. In addition, law enforcement personnel know how much domestic violence contributes to crime rates in general. Recent experience has demonstrated the need for and value of a full range of intervention and prevention services for battered women. The interrelation between domestic violence and public safety adds to the urgency of this need.

Statement of Need

The Health Trust's Meals on Wheels program provides hot nutritious daily meals with a "wellness check" to the City of Sunnyvale's low income homebound clients.

Service Level

The desired outcome is that these clients receive a hot nutritious meal each weekday that provides one-third of their daily nutritional requirements.

Issues

Without the nutritional supplement provided by the weekday meals brought to homebound clients, these homebound seniors and disabled adults would likely not have a hot meal and would therefore be nutritionally deficient.
